DTH FACTORY COMPLEX

ABOUT US

DTH Tyres, founded in 1989, has a rich history that began with a small tyre dealership established by our Chairman and Managing Director, **Dr. P.H.G. Dharmasiri.**

With unwavering dedication and hard work, Dr. Dharmasiri transformed the humble tyre shop into a thriving retreading factory amid a strong demand for tyre retreading in Sri Lanka. This pivotal decision allowed the company to expand rapidly and meet the needs of the market.

As the business evolved, we took significant strides by introducing products such as tyre precure tread rubber, cushion gum, and tyre flaps.

The entry of our second-generation director, P.H.G. Rajitha Dharmasiri, marked a new chapter in our journey, as he successfully developed our export markets, further elevating the company's position in the industry.

In 2020, DTH Tyres reached a remarkable milestone by commencing the

manufacturing of high-quality tyres. Utilizing premium technology and high-quality compounds, our tyres are designed to provide exceptional performance and reliability. We take great pride in offering our consumers outstanding products that set us apart in the marketplace.

We invite our valued customers and dealers to experience the quality of DTH Tyres and see the difference for themselves.

*Thank you for being a part of
our journey...*

CHAIRMAN'S MESSAGE

DR P.H.G DHARMASIRI

Chairman
DTH Group of Companies

"Driving Excellence Since [1989]"

Dear Valued Partners and Customers,

For over 35 years, DTH Tyres has stood as a symbol of trust, innovation, and uncompromising quality in the rubber and tyre industry. What began as a humble vision has grown into a globally recognized enterprise, thanks to the unwavering support of our customers, the dedication of our team, and our relentless pursuit of excellence.

At DTH Tyres, we believe that quality is not just a standard—it's a legacy. From our first tyre to our latest advancements in motorcycle, agricultural, and retreading solutions, every product embodies decades of expertise, cutting-edge technology, and a deep understanding of our customers' needs. Our growth has always been rooted in three pillars:

- 1. Commitment to Durability:** Tyres engineered to perform in the toughest conditions.
- 2. Sustainable Innovation:** Eco-conscious practices for a greener future.
- 3. Global Partnerships:** Building relationships that transcend borders.

As Chairman, I am proud of how far we've come—but even more excited about the road ahead. Together with our partners, we will continue to push boundaries, deliver value, and set new benchmarks in the industry.

Thank you for trusting DTH Tyres. We look forward to serving you for generations to come.
